

The best way to buy and enjoy Martin Alfaro and Alfaro Family Vineyards Pinot Noir and Chardonnay

Shipments:

Club Martin Alfaro members receive four automatic **shipments** of wine each year. Members have the option to receive **three, six, nine, or twelve** bottles of Pinot Noir and/or Chardonnay per shipment. These shipments will occur in February, May, August, and November. All orders will include a mix of Pinot Noir and Chardonnay unless you specify red or white only on your sign up sheet.

The Discount:

All shipments are **discounted 20%**. Starting immediately, any additional wine purchases, at any time, are also at a **20% discount**.

The Deal:

There is no initiation fee and you can cancel at any time after your first shipment. Club members will be billed for the wines plus shipping and sales tax (where applicable) at the time of shipment. Average bottle price will be approximately \$25.00. There is no charge for winery pick-up on designated pick-up days. If the member's shipment is not picked up by the designated pick-up day, it will be shipped and appropriate shipping charges will be applied.

Please ask us about the special shipping regulations for non-California residents.
